

A Whole New Thing

Big Star

Baby I gotta go
And I won't go slow
Come on let's split the scene
Off to a whole new thing

Whole new thing
Yeah baby it's a whole new thing
Whole new thing
Yeah baby
Yeah - it's a whole new thing

With all the hours in the day
How could I explain
I do what I want to do
The guys don't have a clue

Whole new thing
Yeah baby it's a whole new thing
Whole new thing
Yeah baby
Yeah yeah

Whole new thing
Yeah baby it's a groovy thing
Whole new thing
Yeah baby
Yeah - it's a whole new thing

Whole new thing
Yeah baby it's a whole new thing
Whole new thing
Yeah baby
Yeah yeah
