Let me be your one light
And if you'd like a true heart
Take the time to show you're mine
And I'll be a blue moon in the dark.

While you sleep you'll see me there Clouds race across the sky Close your eyes and don't ask why And I'll be a blue moon in your eyes.

Morning comes and sleeping's done Birds sing outside If demons come while you're under I'll be a blue moon in the sky

Let me be your one light
And if you'd like a true heart
Take the time to show you're mine
And I'll be a blue moon in the dark
