

If I Were Heaven

Big Sugar

Tonight I run your side cuz still provide the faith that gone s
tonigh
If I were heaven straight to cross the sky
I'll gives apon you with one thousand eyes
If I were heaven
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
On a lonely road get it twice deep inyour mind
There're stars in there to guide
If I were the heaven
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
They ride and roams your side cuz still provide the
Fade the coast on life
If I were heaven
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
Tonight when you see the stars that every thing is gonna be alr
ight
every thing is gonna be alright
every thing is gonna be alright
every thing is gonna be alright
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
Tonight when you see the stars that shine you'll know every thi
ng is gonna be alright
every thing is gonna be alright
every thing is gonna be alright
every thing is gonna be alright
