

The Scene

Big Sugar

Now, take a look at me and tell me what you see
I'm only six feet tall but I'm righteous y'all
And I want you to know that I'm good to go

I ain't the super fly, don't you pass me by
Here I am, I'm on the scene

Feel like I just can't lose
And I got a shine on my shoes
You don't know my name
But I'm here just the same

I ain't your back door man
But, oh, yes I can
Here I am, I'm on the scene
Here I am, I'm on the scene

I wanna know, do you like to get high?
I'm too afraid to try, I ain't your fantasy
But I can shake your tree
And I want you to know, I'm still good to go

I ain't the settin' sun
But I can get the job done
Here I am, I'm on the scene
Here I am, I'm on the scene
Yes I am, I'm on the scene

I'm on the scene
I'm on the scene
I'm on the scene
I'm on the scene

I'm on the scene
I'm on the scene
I'm on the scene
Yes, I am

You have one new message, first message
"I'm a simple man, looking for a hang out
How can you resist such a simple plead?"
