

If Loving God Was A Crime

Big Tent Revival

If loving God was a crime, I'd be an outlaw
I would join the fight, they could not shut me down
I would stand tall for what I knew was right.
Would you stand with me for the world to see
When all is on the line
Would you be ashamed of Jesus' name
If loving God was a crime
The schoolroom, I hear, teaches choices
To kids who cannot pray
And the unborn, I fear, they have no voice
In politics today
Take a look around.
What will tomorrow hold?
It's time to stand our ground.
We must be bold!
