

Here to the mornin' noon  
Woke up as you left the room  
Pillow still warm  
Scent like meadow grass

Has the feelin' come to pass?  
Has the feelin' come to stay?  
What can we say?  
Wishin' you'd hang around

Livin' on the waterfront  
Witnessing the gameless hunt  
Mermaids don't kill  
That's the way they seem, so fine

Now your lips are on the line  
Now there is a broken tongue  
Neck is so young  
Felt so frozen

Have you seemed to follow through  
On everything you yearned for?  
Steps so fair  
So much certainty

Now, as far as we can see  
The water's getting deeper  
My safe-keeper  
The wolf is howling for me

Ooh  
Ooh  
Ooh  
Ooh

When she holds me in her jaw  
All the blood dripping  
Will I be free  
To cease gripping?

Find me lyin' on the ground  
Open hands empty  
I'll return back again  
If you let me

Ooh  
Ooh  
Ooh  
Ooh
