

Big Night

Big Time Rush

Oh, it's gonna be a big night
We're gonna have a good time
It's gonna be a big, big, big, big, big, big night

1, 2, 3, all my boys and girls
We gonna party like it's the end of the world
Let's get it started, started, started, whoa, oh

Waitin' on weekends it's Friday night
We gonna get dressed up
For the time of our lives
Let's get it started, started, started

'Cause I've been feelin' down, down, down
I need a pick me up, round, round, round
I wanna spin it up loud, loud, loud
DJ take me away

Oh
It's gonna be a big night
We're gonna have a good time
It's gonna be a big, big, big, big, big, big night

Oh
It's gonna be a big night
We gonna have a good time
It's gonna be a big, big, big, big, big, big night

It's been a long week
Been workin' overtime
I need a heartbeat
To get this party right

I'm on another level
Turn up the bass and treble
Turn it up, turn it up, turn it up

'Cause I've been feelin' down, down, down
I need a pick me up, round, round, round
I wanna spin it up loud, loud, loud
DJ take me away

Oh
It's gonna be a big night
We gonna have a good time
It's gonna be a big, big, big, big, big, big night

Oh
It's gonna be a big night
We gonna have a good time
It's gonna be a big, big, big, big, big, big night

1, 2, 3 call your boys and girls
We gonna party like it's the end of the world
Let's get it started, started, started, started, started
Let's go

1, 2, 3, all my boys and girls
We gonna party like it's the end of the world
Let's get it started, started, started
It's gonna be a big night

Oh
It's gonna be a big night
We gonna have a good time
It's gonna be a big, big, big, big, big, big night

Oh
It's gonna be a big night
We gonna have a good time
It's gonna be a big, big, big, big, big, big night, night
