

Count On You

Big Time Rush

Now I'm about to give you my heart
But remember this one thing
I've never been in love before
So you gotta go easy on me

I heard love is dangerous
Once you fall you never get enough
But the thought of you leaving
Ain't so easy for me

Don't hurt me
Desert me
Don't give up on me
What would I wanna do that for?
Don't use me
Take advantage of me
Make me sorry I ever counted on you
1, 2, 3, 4 to the 5, baby, I'm counting on you (4x)

Understand I've been here before,
Thought I found someone I finally could adore

But you failed my test,
Got to know her better saw I wasn't the only one

But I'm willing to put my trust in you,
Baby you can put your trust in me

Just like a count to 3,
You can count on me and you're never gonna see

No numbers in my pocket.
Anything I'm doing girl I'll drop it for you

'Cause you're the one I'm giving my heart to but I gotta be the only one

Don't hurt me
Desert me
Don't give up on me
What would I wanna do that for?
Don't use me
Take advantage of me
Make me sorry I ever counted on you
1, 2, 3, 4 to the 5 baby I'm counting on you (4x)

I really hope you understand
That if you wanna take my hand

You should put yours over my heart
I promise to be careful from the start

I'm trusting you with lovin' me
Very very carefully

Never been so vulnerable

Baby I'll make you comfortable

1, 2, 3, 4 to the 5 (yeah), baby, I'm counting on you (oh)
1, 2, 3, 4 to the 5 (why would I want to do that, hey, yeah)
1, 2, 3, 4 to the 5, baby, I'm counting on you
1, 2, 3, 4 to the 5

Now I'm about to give you my heart
So remember this one thing
I've never been in love before
Yeah, you gotta go easy on me.
