

Forget You Now

Big Time Rush

I've been staying up all night
Wondering why you came into my life
You can take me for a ride
I'm alright with wasting all my time

Under your control
You know
Please don't let me go
You know

You play me like a m-m-melody
In my head
I can't forget it
You haunt me like a long-lost memory
In my head
I can't forget you now

Can't forget
Can't forget you now
Can't forget
I can't forget you now (Can't forget you now)
Can't forget
Can't forget you now
Can't forget
I can't forget you now (Can't forget you now)

Baby, I'm stuck on what you said
Lately you've turned my life into a mess
Take me and do your worst
'Cause I'm breaking up and I'm down on my knees

Under your control
You know
Please don't let me go (Ow, ow, ow)

You play me like a m-m-melody
In my head
I can't forget it
You haunt me like a long-lost memory
In my head
I can't forget you now

Can't forget
Can't forget you now
Can't forget
I can't forget you now (Can't forget you now)
Can't forget
Can't forget you now
Can't forget (Can't forget you now)
I can't forget you now

I, I, I can't (I, I)
Forget (I, I)
You (Can't forget you) (I)
Now (I)
I, I, I can't (I, I)
Forget (I, I)

You (I)
Now (I)

I, I, I can't (I, I)
Forget (I, I)
You (I)
Now (I)
I, I, I can't (I, I)
Forget (I, I)
You (I)
Now (I) (Oh)

I can't forget

You play me like a m-m-melody
In my head
I can't forget it
You haunt me like a long-lost memory (Memory)
In my head
I can't forget you now (Forget you now)

Can't forget
Can't forget you now (You now)
Can't forget
I can't forget you now (Can't forget you now) (Forget you now)
Can't forget
Can't forget you now (You now)
Can't forget (Hey)
I can't forget you now
