

# Get Up

## Big Time Rush

Get up, get up, get get get up  
Get up, get up, get get get up

You're gonna love this, just wait  
Take my hand don't hesitate  
C'mon and follow my lead  
I got a bag full of tricks come roll with me

We'll pick it up from where we started  
We're gonna take it one step further  
They'll never leave us broken hearted tonight, no

It's time to get up, get up, get, get, get up  
If you're tired of waiting  
It's time to get up, get up, get, get, get up  
If you hear what I'm saying  
That we could have it all tonight  
It's time to get up, get up, get, get, get up  
If you're tired of waiting

I know you love this, let's go  
Get there fast and we'll take it slow  
We're gonna live out our dreams  
You and me together, no make believe

We'll pick it up from where we started  
We're gonna take it one step further  
They'll never leave us broken hearted tonight, no

It's time to get up, get up, get, get, get up  
If you're tired of waiting  
It's time to get up, get up, get, get, get up  
If you hear what I'm saying  
That we could have it all tonight  
It's time to get up, get up, get, get, get up  
If you're tired of waiting

We're picking up from where we started  
We're gonna take it one step farther  
They'll never leave us broken hearted tonight, no

It's time to get up, get up, get get get up  
It's time to get up, get up, get get get up

It's time to get up, get up, get, get, get up  
If you're tired of waiting  
It's time to get up, get up, get, get, get up  
If you hear what I'm saying  
That we could have it all tonight  
It's time to get up, get up, get, get, get up  
If you're tired of waiting
