Music Sounds Better

Big Time Rush

better with you, yeah i tried to write this down the words just don't come out it's hard to say how you feel been down the longest road said yes when i meant no i lost control of the wheel cause you know that things get so bad you've got my back make me wanna sing, and girl i'm singing about ya no sweeter sound than what i've found no perfect love could be more perfect than us oooo baby it feels like it feels like music sounds better with you baby it feels right it feels right everything's better with you i used to think that love was something fools made up cause all i knew was heartbreak oh, i couldn't help myself let this heart go through hell there's only so much a heart can take cause you know that things get so bad you've got my back make me wanna sing, and girl i'll sing about ya no sweeter sound than what i've found no perfect love could be more perfect than us oooo baby it feels like it feels like music sounds better with you baby it feels right it feels right everything's better with you every song every rhyme every word is better with you (music sounds better with you) every day (every day) all of the time (all of the time) every way music sound better with you

she's my music enhancer when the music plays she's my dancer when i'm around her everything's faster every question i have she's the answer i'm head over heels can't explain that this all so real when i'm around you baby you make me feel like everything's better with you oooo baby it feels like it feels like music sounds better with you baby it feels right it feels right everything's better with you oooo baby it feels like it feels like music sounds better with you baby it feels right it feels right everything's better with you the music sounds better with you music sounds better with you
