

## Work for It

Big Time Rush

I ain't tryna talk for ya  
But I know just what you need  
If you let me I'll show ya  
That you're the one, the one for me

Pull you in the middle  
A little by little  
And I'll hold you close to me  
I'm not sentimental  
But I can't let you go

Baby you're one of a kind  
I'm 'a give you all my time  
Even if it takes all night  
All night

Baby I'm 'a work work work for it  
I'm 'a work for it  
Gettin' down and dirty 'cause I work for it  
I'm 'a work for it  
Ooh  
You're the one I really want  
Really wanna hear you say "yeah"  
Say yeah yeah yeah yeah  
You're the one I really want  
Really wanna hear you say "yeah"  
Baby I'm 'a work for it

The way that you're moving  
Has got my head spinnin  
I'm in it  
The minute you step in the room  
Body to body  
You know I'm about it  
You got it  
The baddest that I ever knew

You shine like you're in the spotlight  
And you got me tongue-tied  
When I look in your eyes  
(Your eyes, your eyes)  
One look  
And that's all that it took  
I'm addicted I'm hooked  
Got me got me so good

Baby you're one of a kind  
I'm 'a give you all my time  
Even if it takes all night  
All night

Baby I'm 'a work work work for it  
I'm 'a work for it  
Gettin' down and dirty 'cause I work for it  
I'm 'a work for it  
Ooh  
You're the one I really want

Really wanna hear you say "yeah"  
Say yeah yeah yeah yeah  
You're the one I really want  
Really wanna hear you say "yeah"  
Baby I'm 'a work for it

In the morning  
In the night  
You can bet  
I do it right  
'Cause I'm more than qualified  
I'm 'a work for it  
I won't quit until it's done  
'Cause you're worth it yeah

Baby I'm 'a work work work for it  
I'm 'a work for it  
Gettin' down and dirty 'cause I work for it  
I'm 'a work for it  
Ooh  
You're the one I really want  
Really wanna hear you say "yeah"  
Say yeah yeah yeah yeah  
You're the one I really want  
Really wanna hear you say "yeah"  
Baby I'm 'a work for it
