Big Wild

(Want some of that green rain)  
(Want some of that green rain)  
(Want some of that green rain)  
(Want some of that green rain)

Now think about it how cool it would be  
To have diamonds on the soles of my feet  
But I worn these sneakers since I was 13  
It's just cruel, it ain't sweet  
Count my blessings easily  
It goes 3, 2, 1, me

You want some of that green rain?  
That chi-kaching, chi-kaching  
You want a 20 karat ball and chain?  
Kaching, kaching  
You want a pilot and a jet plane?  
They go a chi-kaching, chi-kaching  
Newsflash, it ain't worth the pain  
Kaching, kaching

(Lalalalala)  
(Lalalalala)

Think about how chic it would be  
With rhinestones on my sheets  
Like a queen, pockets leak  
Mmm, so empty indeed  
And that's just cruel, it ain't sweet  
I give up so easily  
It's still 3, 2, 1, me

You want some of that green rain?  
That chi-kaching, chi-kaching  
You want a 20 karat ball and chain?  
Kaching, kaching  
You want a pilot and a jet plane?  
They go a chi-kaching, chi-kaching  
Newsflash, it ain't worth the pain  
Kaching, kaching

Ain't got no money, I ain't got no power  
Can't find the floor and this beats getting louder  
Give into me, come on, give me some

Ouch!  
Watch those golden gates  
Open up for me  
With a 20 karat ball and chain  
I will make it rain

You want some of that green rain?  
That chi-kaching, chi-kaching  
You want a 20 karat ball and chain?  
Kaching, kaching  
You want a pilot and a jet plane?  
They go a chi-kaching, chi-kaching

Newsflash, it ain't worth the pain  
Kaching, kaching
