

One mile to the water  
The signs don't lie  
There you go, trying to find a way  
The sun's heat is blinding you  
It hypnotizes the truth

Baby, oh, once you wade in the water  
There's no trace of the other  
Baby, oh, once you run in the water  
Feel the pace racing higher  
Hey

There you go, power takes over, ayo  
Now you are invincible  
There you go power takes over, ayo  
Then you are invincible

Five moons in the desert  
Miraculous site  
Hear the sound one thousand different ways  
The path is igniting your roots  
Grow in front of you

Baby, oh, once you wade in the water  
There's no trace of the other  
Baby, oh, once you run in the water  
Feel the pace racing higher  
Hey

There you go, power takes over, ayo  
Now you are invincible  
There you go power takes over, ayo  
Then you are invincible  
Hard to breathe when fighting the sun away  
All you need to know is you're on the way  
There you go power takes over, ayo  
Now you are invincible
