Light the walls on fire
Let them burn
We've got a lot to say
But we don't need words

Oooh light the walls on fire
Let them burn
We've got a lot to say
But we don't need words

Light the walls on fire
Let them burn
We've got a lot to say
But we don't need words

Light the walls on fire
Let them burn
We've got a lot to say
But we don't need words

Oooh light the walls on fire
Let them burn
We've got a lot to say
But we don't need words

Light the walls on fire
Let them burn
We've got a lot to say
But we don't need words
