### Big Words

Top of the hill mama  
No dramas this year mama  
Still as the trees and water  
I just breathed the last of summer  
Autumn leaves are fallin'  
Red cheeks from runnin'  
My feet are like clouds walkin'  
Past all the sleeping bodies

She finds heaven, guessing it's more than I see, in me  
She finds heaven, guessing it's more than I see, in me

She finds heaven, guessing it's more than I see, in me  
She finds heaven, guessing it's more than I see, in me
