

Fall Over

Big Wreck

Heroes, idols
Waves and cycles
Weather's turning
Castles burning

Spinning fools can't escape
Watch them fall over
Tell the stars, "all is well"
While they fall over

Flowers telling
Waters welling
Clear out, falling
Karma's calling

Spinning fools can't escape
Watch them fall over
Tell the stars, "all is well"
While they fall over

Clear out, falling
Karma's calling

Spinning fools can't escape
Watch them fall over
Tell the stars, "all is well"
While they fall over
