

Bite

Big Yavo

Cuz these bitches bite, bite, bite
Cartier froze ice
Yeah I'm hitting it's glistening
Diamonds they dancing and shimmering

Aye, look quick need to buy me some Off
These bitches biting
Brand new J's all ice
Soon as you get you some money
and get yourself right you know lil bitches gon bite
Say they just got shot in numbers they say they might
Can't tell me lil baby wasn't biting
Look if you hop out a trackhawk covered in ice

Boy I'm telling you shawty go Tyson
Looking like money a make a pretty bitch bite down
Hundred ball on me like right now
Lil bruh got that nick on em ready to wild out
I got that tec on me ready to fall out, boy
FN on me feel like a toy
Hop in that cat gotta saddle up bitch this a horse
When you first hit that glock it go Bow
Now it go hrrrrr
Push the button that bitch switch up her voice
Hit the first one, this one cursive
Man that button that bitch switched up the font

Imma ball bae yo nigga a runt
5th and a hundred I still ain't punting
I'm the type nigga to go for the gusto
Aye my young nigga lowdown and cut throat
Partner stole from me that's why I don't trust folks
I'm serving dick on these bills with these buffalos
No dissing that but that shit don't be fact (it don't be fact)
Folk claiming cap nigga that ain't yo hat
Try that shit Imma smush you, flat on your back
Follow me yo ass gonna need a jack
But look I'm dope I'm sure this drug like crack
If she leave she gon double back
I'm having so much motion sitting back counting racks
Watching a pretty bitch play with her cat (play with that pussy)
Nigga be saying they P well bitch I'm a mac
Got your bitch, sticking dick in her back
Shawty just hopped on the road and picked up a 20 piece
She ain't coming back with no flats
No point of when she might get back
I send her a jet and take her to Saks
When you having motion and popping like that
Guarantee shawty bite
I call her my snack

(She gon bite down)

Bite, bite, shawty bite down, bite
She blind, Cuban link racks and lil diamonds they fine
When you having something she gon bite
Look when you ask for nothing she gon bite

Claim she like girls them racks make her bi
Aye if you got motion then you a 10
You better go get some money tonight

Nigga better go get some money today
So many horses think I need some hay
I don't feel right if I ain't getting paid
Boy I pull up trim, clean up like a maid
I pull up trim watch how I come different this year
Fuck all that thick got some shit in her rib
Baby girl got her hair did and them toes white
Baby let me bite on your ear
I tell her baby come here

Biting, I'm biting, bite, I'm biting
Where you at bae I need you tonight
Baby come ride that dick like a bike
Put me to sleep and close my eyes
You talking bout hold on like yo thighs and he got you windows shut
Baby you in the blind
Come fuck with the vibe
Cuz I know you biting, bite these bitches gon bite
Yeah you know these lil bitches bite, come bite me tonight
Bite
Come bite me lil shawty
The fuck
Bite
