

Blaze

Big Yavo

Ridin' the scat pack
Feelin' like Tom, cruisin'
Ain't stuntin' these hoes
They choosin'
I fell back from the trap
In the yo, goin' stupid
I just been focused on music
Ay, VIP, I don't wait in no lines
Bitch told me she love me, she lyin'
Get off the sack, Matt Ryan
Ay, feel like my soul cryin'

Ever since Blaze died
Ay, I ride around with that iron
Free all my niggas doin' time
Just talk to Trell, he doing fine

Fake love, they be runnin' like Stevie
Don't steal, ask for it it you need it
Ay, I'll give it to you, I ain't selfish
Did this shit by myself, no helping me
I know some niggas who steal for free
No future referee
I get the tip and that bitch like a whistle
Court tough, left the bitch, most of my niggas cryin'

Ridin' the scat pack
Feelin' like Tom, cruisin'
Ain't stuntin' these hoes
They choosin'
I fell back from the trap
In the yo, goin' stupid
I just been focused on music
Ay, VIP, I don't wait in no lines
Bitch told me she love me, she lyin'
Get off the sack, Mack Ryan
Ay, feel like my soul cryin'

I'm tryna do things
No hangin' round new names
And then if I blow up
I'm runnin' on boost
I ain't stuntin' no new chain
Tryna go cop a Mulsanne
And snatch out the coupe brains
Ay, lately been thinkin' bout cuttin' my hair
'Cause I'm on a new wave
All my niggas probably talkin' bout guns
But we on a new stage
And when you think I'm shoot gang
All my niggas got good aim

Stole from me
Now his hand missin'
I came out the can with it
Hot just like a pan hit it
In the hood like a chain missin'

Ay, my nigga ride for me
I don't know about you and

But my nigga pull up
They dumpin'
Feds on the block
And the fences we jumpin'
My life on the line for the money
I don't love in no lies, just being honest
I'm itchin', addicted to money
A junkie

Ridin' the scat pack
Feelin' like Tom, cruisin'
Ain't stuntin' these hoes
They choosin'
I fell back from the trap
In the yo, goin' stupid
I just been focused on music
Ay, VIP, I don't wait in no lines
Bitch told me she love me, she lyin'
Get off the sack, Mack Ryan
Ay, feel like my soul cryin'
