Twelve get behind me, I'ma get away  
I take them on a chase, aye

I put the bags on the interstate  
Twelve get behind me, I get away  
Twelve get behind me, take them on a chase  
Put my hands on her frontal then snatch out her lace  
She like how I feel on her waist  
Aye, my bitch say she like how I penetrate her  
Niggas don't like me, been a hater

Man I remember when ain't shit at the dinner table  
Like binders, now I got plenty paper  
And she just wanna fuck me 'cause I'm hella rich now  
Look at the camera  
Grab the Glock when I back out  
Aye, you never been in a crack house  
I say you never swung a 300, Black out  
Pull up, shoot that bitch like I'm Jerry Stackhouse  
I'm tryna fill up a stash house  
I'm tryna get me a million, pipe up a Bentley  
Teach my son how to count benjies  
I'm having Charlamagne bullets for niggas who envy  
Aye them bitches bald head  
Ain't none of my niggas be friendly  
Come to my hood, bitch, where is your hall pass?  
Pet Pamper, I'm on your dog ass  
How you think I'm is riding 'round with dog shit?  
Supreme fanny, thirty thousand inside, Big Ya' just walked in the mall with  
it  
I'm getting cold, just bought a Celine hoodie  
Put a switch in that bitch so it seem fully  
Just like the Warriors, my whole team pullin'  
Just like the Warriors, my whole team gon' score some  
If you get off at 3 we spendin' about 4 somethin'  
Pull up, empty the clip till the folks come (Aye)

I put the bags on the interstate  
Twelve get behind me, I get away  
Twelve get behind me, take them on a chase
