Big Yavo

(Zuwop waves on the tracks, haha)

Say, when it come to that money, you know I'm impatient
If that pack took off running, you know I'ma chase it
Everybody else problems, ain't worry about lately
Say, it's time to focus on me
You know that I'd do it for you, would you do it for me?
If I ain't pick up a mic', like where would I be?

Lord, they speak on my partner, I'm stuck in this beef

Turn him to a veggie, can't wait 'til we meet
Young nigga been in the field, can't put up the cleats
Ayy, I ride with a K, but I step for GG
I'ma hop out a spark, can't sit there and freeze
Ain't do this shit for myself, did this shit for my team
Can't forget 'bout Mama, damn sure not granny
Long live pawpaw, that shit there hurt the family
Sit still in the club, but my jewelry dancin'

Say, when it come to that money, you know I'm impatient
If that pack took off running, you know I'ma chase it
Everybody else problems, ain't worry about lately
Say, it's time to focus on me
You know that I'd do it for you, would you do it for me?
