

New Dude

Big Yavo

Shit sound like some Mario and Luigi or somethin' (Ayy, let that shit ride, Tav, it do though)

Yeah

Nigga pull up and knock all your coins out your vehicle

Let's go, let's go

Ayy, get checks like Nike, she like how I do it

Say she don't like to drive, so I flew her

And after she land, I'ma send her an Uber

Good head on her shoulders like shorty a tutor

Ayy, play with me and get toasted like strudel

Say, play with me and get popped like a tart

Ayy, all my niggas on go like a cart

Hold on, wide-ass Suburban, it look like the narcs

Hold on, wide-ass Suburban, it look like the cops in it

Ayy, she gave me neck soon as I got my car tinted

All my niggas step, need to buy them some new shoes

Everybody got tools, but them niggas loose screws

So many hundreds, can't count, I call that shit Blue's Clues

Got the neck, then dipped, she told me I'm too rude

I'm the one like Ace, need the plug like Lulu

Your nigga number two, what that mean? He doo doo

Pull up with Smith, shoot stuff like JuJu

Bitch play with Yay, he go cray, she calling me cuckoo

Don't play with me, bitch, I go retardo

Jehovah's Witness, I'ma knock on your front door

Open that door and I bring the smoke in

Shoot shit like Niles, but I don't need no lens

Long as I got that Drac', bitch, I need no friends

It was a turnt-ass lil' party 'til I brought the dope in

Say, I turn dancers to coke heads

I mean, I turn coke heads to dancers

She hit the shit, do the dirty Diana

And you can't touch this, got arm and hammer

And we pull up on shit and might start selling Pampers

Blowing shit down like the opp was a candle

Strapped and I'm blessed like a Jesus sandal

I ride with yay like a Yeezy manager

Get checks like Nike, she like how I do it

Say she don't like to drive, so I flew her

And after she land, I'ma send her an Uber

Good head on her shoulders like shorty a tutor

Ayy, play with me and get toasted like strudel

Say, play with me, get popped like a tart

Ayy, all my niggas on go like a cart

Hold on, wide-ass Suburban, it look like the narcs

Ayy, get checks like Nike, she like how I do it

Say she don't like to drive, so I flew her

And after she land, I'ma send her an Uber

Good head on her shoulders like shorty a tutor

Ayy, play with me and get toasted like strudel
