

Nothing Basic

Big Yavo

I told shawty, "Big Ya can't do nothin' basic"
I roll up the cookies and place it
Sliding the charges
Better dodge like you in the matrix
Bitch, I'm the one quarterback for the Patriots
Havin' these birds, shoulda signed to the Ravens
And I been kickin' this bitch like I play safety
Keep it rockin' like my name's Tracy

Pour a deuce in a Sunkist, this shit tasty
Go and cop me a Scat, hit the hood and then race it
All white shoes but I'm not racist
Old ass nigga dried up like a raisin
Young with money, got dress on the stages
I'm drippin' different designers on different occasions
How that Glock shoot bullets, they cagin'?
Knock that shit on the floor on the ground, the pavement
I got to fly New York with the razor
Think I'ma flop, bitch, do me a favor
Told shawty go and jump off a bridge or somethin'
Aye, play with your kids or somethin'
Or you come get your knees suck dick, make Ya buy you a new wig or somethin'

I told shawty, "Big Ya can't do nothin' basic"
I roll up the cookies and place it
Sliding the charges
Better dodge like you in the matrix
Bitch, I'm the one quarterback for the Patriots
Havin' these birds, shoulda signed to the Ravens
And I been kickin' this bitch like I play safety
Keep it rockin' like my name's Tracy

Twelve come in a bunch like they hangin' with Brady
Want an M and an M like Slim Shady
Bought my bitch Chanel and her nails painted
Fell in love with 20s, 50s and Benjamin Franklins
Soon as we get a rental, we tint it and bang it
Don't ask do I got my gun, what the fuck is you thinkin'?
Been on my mission, it's CJ and Franklin
These lil bity nigga be smaller than plankton

I told shawty, "Big Ya can't do nothin' basic"
I roll up the cookies and place it
Sliding the charges
Better dodge like you in the matrix
Bitch, I'm the one quarterback for the Patriots
Havin' these birds, shoulda signed to the Ravens
And I been kickin' this bitch like I play safety
