

Uh
Skrrt
Yoom, yoom, yoom
(Ayy, let that shit ride, Tav)
This bitch here hard, uh
Let's go

Nigga send a diss, bet, go pick him a coffin
Twenty thou' in my mouth, I wake up and I'm flossin'
Bitch, these brand new Balencis, better watch where you walkin'
Keep Runtz in my 'Wood, hit it one time and you coughin'
I'm a star who got bucks, in her mouth just like coffee
Ayy, bitch, I got bucks, Milwaukee
Ayy, catch an opp, now his ass rerouted
Fly a bitch to an island 'cause I'm havin' thousands

I'm getting these bags, investin' in housing
I'm smokin' this gas, Hellcat gettin' cloudy
What's left in the Glock turn an opp to an Audi
My lil' baby, she spoiled, say no and she poutin'
New FN toy, she told me I'm childish
Rolls-Royce double-R, I just pulled up in pilot
Ayy, trap on Southwest just like Hawk
Big Yay run it up fast, I feel like Deion
Bro, I'm from the real deal slums, still givin' 'em hope
Bitch, how you gon' fuck with a crumb? You know I'm the loaf
Bitch, how you gon' fuck with a bum? You know I'm the G.O.A.T
Ayy, chopper pirate, it came with a scope
Ayy, don't want that neck, it don't come with the throat
Bitch, you better not try me, I'm steppin' like loafer
Talkin' 'bout heavy artillery, watch how you approach
One false move, you turn to a ghost

Nigga send a diss, bet, go pick him a coffin
Twenty thou' in my mouth, I wake up and I'm flossin'
Bitch, these brand new Balencis, better watch where you walkin'
Keep Runtz in my 'Wood, hit it one time and you coughin'
