

Scoot Up

Big Yavo

Hey, let's go, let's go, let's go, let's go
Hey, I'm makin' bill with gang
How many be the realest?
How many feel my nigga, no cap
How many bill to scrap? Hey

Just threw back a perc in the booth
I'm geeked, boot up
Been in my bag like a poodle
Ay, play with my cash
My nigga gon' scoot up
Ay, pull up and aim at your noodle
Ay, bitch give me top, head, hoodie
I'm in the yard with a foolie
I ain't tryna play with a bitch
Let me play with that pussy
These niggas soft, cushion, ay

My nigga get the sack off on a bad day
Smoke a opp, pass me a ashtray
Bitch, let me borrow the top in a rental
Ay, I ran it up quick like a sprinter
Ay, thumbin' through paper
Shit thick, shit gave me a splinter
I'm sippin' drank got two cups
Look like I'm thirsty
I'm havin' chicken
Like I work at Churches
Don't answer this
Shoot it on purpose

Just threw back a perc in the booth
I'm geeked, boot up
Been in my bag like a poodle
Ay, play with my cash
My nigga gon' scoot up
Ay, pull up and aim at your noodle
Ay, bitch give me top, head, hoodie
I'm in the yard with a foolie
I ain't tryna play with a bitch
Let me play with that pussy
These niggas soft, cushion, ay

How many plays you made?
Bitch, four today
Money, Cash, my protege
I'm in her mouth like a dentist
She gave her throat away
I just fell out with my ho today
Ay, I just fell out with my girl
My bitch, I ain't trippin'
I'm tryna get rich
I catch a opp
Swing the stick like a switch
I be with my Glock like Lilo and Stitch
On Blaze

I hit the block
And they running fast
I'm on the shit on ass, ay
I walk 'em down like Jason
Mask, I got the stick in the bag
Ay, keep talkin' shit
I'ma lay in this grass
They talk like hoes
They fags, ay

No wifi, they lagged out
Back home finna crash out
Let's go
Back at the room, her ass out
Off the perc, finna spazz out
Ay, walk in the room
Bitch better be naked
I keep a stick, Wayne Gretzky

Ay, big bitch named Mercedes
Got fucked in a Chevy
Then I pulled up off in a Lexus, ay
She give me top
Her ass sloppy it messy
I keep the stick like outside belly

Just threw back a perc in the booth
I'm geeked, boot up
Been in my bag like a poodle
Ay, play with my cash
My nigga gon' scoot up
Ay, pull up and aim at your noodle
Ay, bitch give me top, head, hoodie
I'm in the yard with a foolie
I ain't tryna play with a bitch
Let me play with that pussy
These niggas soft, cushion, ay

Just threw back a perc in the booth
