

Throw It

Big Yavo

(LamarJ all on the beats now)

Uh

I tell her, "Come here" (Bitch)

(It's static)

(Better throw it)

Gang

Ayy, ayy (All that standin' out there lookin')

Take your time and drop that neck, ooh, shit, what a wonderful feeling

I'm tryna have sex, so tell your baby daddy come get them children

And if he don't show up, better put 'em to bed

You know I make too much noise that when you give me that head

She don't want a man, sneaky link her instead

Told me she was on period, got left on red

What you doing with all that ass standing there? Baby, throw it

Say, I don't drink liquor, fuck drivin' the boat, I tell her, "Bitch, come h
op on board"

Where the bottle girl? Excuse me, ma'am, can you get me more ones? (Excuse m
e)

I ask shorty what time she get off work, 'cause home, bitch, you ain't going

Say, freaky bitch pull up in any weather, she don't give a fuck if it's stor
min'

Ayy, catch us in the strip with so much ice, start rainin', make it start sn
owin'

Look, when I nut, don't stop, bitch, keep on goin'

Say, when I nut, don't stop, bitch, keep on suckin'

She got so much ass, you'd think she ugly

Shorty love me so much, fuck me with her buddy

She nasty, she'll fuck with me with her sister

Stay strapped, fuck that ho while I'm clutchin' my pistol

You know the deal, come suck on this pickle

Shorty official, blow you like a whistle

I'm tryna lick on that cat, baby, cut off them whiskers

Shorty, come fuck with a boss and cut off them lil' ones

Tiny-ass niggas, they won't even tip it

Baby so raw with her tongue, I saved her number as lizard

She make the dick disappear like a wizard

Fuck on his bitch, now he mad like Squidward

My lil' partner got him a rock house like Patrick

Fuck that, baby, come get on top like balcony

Don't care who you fuck long as it ain't after me

Throw back this Perc', make her run like an athlete

That bitch told me she 'bout it like Master P

Told her, "Okay, I'm on D'ussé, we 'bout to see"

Take your time and drop that neck, ooh, shit, what a wonderful feeling

I'm tryna have sex, so tell your baby daddy come get them children

And if he don't show up, better put 'em to bed

You know I make too much noise that when you give me that head

She don't want a man, sneaky link her instead

Told me she was on period, got left on red

What you doing with all that ass standing there? Baby, throw it

Say, I don't drink liquor, fuck drivin' the boat, I tell her, "Bitch, come h
op on board"

Where the bottle girl? Excuse me, ma'am, can you get me more ones? (Excuse m
e)

I ask shorty what time she get off work, 'cause home, bitch, you ain't going

You ain't going

Told her, "Baby, you not going home"

Yeah, in the strip club and we throwin' long

'Fore I get there, baby, better have on my favorite thong

Know she gon' fuck with this just 'cause "Rich" was her favorite song
