Can't Relate

BIG30

Ay
Miss me with that brother shit look here homie ain't shit to me
Nigga fuck my trust up threw me off fuck me up mentally
Having thoughts bout getting you touched really fuck you up physically
Like how you pull that stunt in front them folks know ain't no bitch in me
Knowing how shit get with me on my side we send shit to heaven
Carbon 15 with the 100 round gave the boy 57
Free Shiesty up out the can tell the feds to release a legend
Just told'em on the phone I got Ms. Glady's, Tee Da P in Heaven
Put this shit up on my back
Won't bend break I bet not fold
Detective put that squeeze on his lil ass
I heard he quickly told
Been up in the field
Go ask my coach was number 64
I'm head first I'm nose guarding I'm quick to treat some like a hoe
Crack a seal then crack a 4 throw back a perf to match the feeling
You not the one made him look like Doe B stop the cappin' lyrics
He know that was us who pulled up clappin'
Snatch like Fast and Furious
And you know that was us who stand over shit do the overkilling
Belittling me like I ain't shit like I'm a nobody
I'm looking at him like you ain't shit you ain't killed nobody
KSBG graveyard gang a who got mo bodies
And if you see him in my car he strapped got mo' than 4 bodies

I hang with the killers and the robbers that's cause I relate
I get my dope from my old apartments that's cause I relate
Moving through my city Glock and choppa that's how I was raised
Boy you ain't never kilt shit this shit gangsta so you can't relate

I hang with the killers and the robbers that's cause I relate
I get my dope from my old apartments that's cause I relate
Moving through my city Glock and choppa that's how I was raised
Boy you ain't never kilt shit this shit gangsta so you can't relate

I got killers from the chi different blocks everybody crashing
Flauging to these hoes like ion do right I treat you like Ashton
Treat these niggas like my son do everything but wipe they asses
Take you round the world show you some new keep you in latest fashion
Thirtball gone be the greatest
How you can't make a show and I got opps all cross the nation
I bring that Draco every show like the promoter paid it
Follow me when I leave my concert that's like chasing Jason
And we gone make sure that you die it ain't no barely made it
And we made several mamas cry cause we took mama baby
This Cartier cost 45 plus my teeth that's a 80
Oops I lied that's a 85 and I put that on Realan try me I wear it daily

I hang with the killers and the robbers that's cause I relate
I get my dope from my old apartments that's cause I relate
Moving through my city Glock and choppa that's how I was raised
Boy you ain't never kilt shit this shit gangsta so you can't relate

I hang with the killers and the robbers that's cause I relate
I get my dope from my old apartments that's cause I relate
Moving through my city Glock and choppa that's how I was raised

Boy you ain't never kilt shit this shit gangsta so you can't relate
