

# COME SAVE ME

**BIG30**

(ZBoy goin' crazy)

I been lookin' for love in the wrong places (Places)

Baby, come and save me (Save me)

Your mouth say, "I love you," but you showin' you can't make me (Can't tame me)

Fuck you in a Maybach, make you cum in a Mercedes (A Bentley)

I just poured a four of Wock' in the Sprite, come and taste it (Again)

And take one of these pills too (Pills too)

Take off of them heels and let me fuck you in the hills, boo (Come here)

Every time you smile (Every time), I see your face and get the chills, boo (Chill)

That's my ride or die, say they gon' kill me if they kill you (For life)

Baby, I do the killin', big Thirtball a real villain (A murderer)

Go kick back in the villa (Villa), me and you, baby, just chillin' (Just chillin')

Might go and buy a village, name the streets after my children (My kids)

Just sneakin' 'round, kickin' shit, havin' fun with no pictures (No pictures)

I kept your secret long enough, it's 'bout time to pop out (Out)

Ain't talkin' 'bout with no picture, baby, pop out with my child (My baby)

I'ma stop fuckin' you like that, then go missin' for a while (I'ma stop this shit)

I know this shit here toxic, ho, please don't come back around (Around)

You ain't never seent this side (Never), but with that pistol, I get wild (Get wild)

Gotta fuck in my sheets, so she like, "Bae, go get a towel" (A towel)

And that pussy so wet (Wet), she squirt and cream, this ho is power (Splash)

Don't die about my bitch, I'm lettin' you know this ho ain't ours (Die about my ho), blrrrd

I been lookin' for love in the wrong places (Places)

Baby, come and save me (Save me)

Your mouth say, "I love you," but you showin' you can't make me (Can't tame me)

That's my ride or die, say they gon' kill me if they kill you (For life)

Ayy, four hundred 'bows just hit the spot, this shit smellin' like mildew (Gas, gas, gas)

He just look like that, that baby face lil' boy would kill you (Murder, blrrrd, blrrrd)

Drill you (Drill), hop out with that thirty (Thirty), blrrrd, spill you (Spill you)

I know how he get down, I'm the one took him to kill school (To kill you)

Took that boy to murder school (Murder school), showed the boy how to hurt a dude (Hurt a dude)

Run down on that boy and stand over him 'til you murder dude (Murder dude)

Nigga better not make me mad (Better not), they gon' come kill you if I curse at you (Curse at you)

Put 'em in a suit, had to show 'em what else that churches do (Funerals)
