Wicked people don't want fe see mi life long
And they get vex when mi sing my song
Tell dem seh mi tuffa than a piece of iron
Yeah ah mi they want fi bully
But you know seh mi no worry
No they don't want fe see mi life long
And they get vex when mi sing my song
Tell dem seh mi tuffa than a piece of iron

But you know seh mi no worry

Hypocrite don't give me no smile
Fool fool boy don't show me your style
They wish to see the day
When the Telly* go die
But I make it inna life by the help of the most I

Mix up mi reggae with a piece of lo-fi
I work hard everyday
So mi pocket no dry
If you wanna diss me i invite you fi go try
Fassy no badda ting mi is a very cool guy
Lord mi cry

Wicked people don't want fe see mi life long
And they get vex when mi sing my song
Tell dem seh mi tuffa than a piece of iron
Yeah ah mi they want fi bully
But you know seh mi no worry
No they don't want fe see mi life long
And they get vex when mi sing my song
Tell dem seh mi tuffa than a piece of iron

Yeah ah mi they want fi bully
But you know seh mi no worry

No they can't see mi limit man gone like a rocket
They wish to see me broke with no cheese inna mi pocket
They wish to see me 'electrify with mi fingers in the socket
Scalp a hypocrite one strike from the hatchet

No they can't lock me down with them silly boy habbit
Mi block it and mi knock it mi nah recycle the package
My reality certain people can't manage
Build up a panic dem ah run like rabbits

Wicked people don't want fe see mi life long
And they get vex when mi sing my song
Tell dem seh mi tuffa than a piece of iron
Yeah ah mi they want fi bully
But you know seh mi no worry
No they don't want fe see mi life long
And they get vex when mi sing my song
Tell dem seh mi tuffa than a piece of iron
Yeah ah mi they want fi bully
But you know seh mi no worry

Big up mi clan Cranston
Come from downtown London
English style like David "Ram Jam"
Adam and Telly* ah the lyrics Banton
Some p*ssy wanna play the wrong song
Dem heart cold dem affi wear the long John
Take a little head start to see mi long gun
That's how we do it in the place we come from
