Give thanks for the time and the weather  
Mi have life mi nah dead'a  
Mi affi climb up pon the ladder  
Sometime it's hard for my sis'  
And mi bredda  
But we nah fed up the future  
We nah fraid'a  
Yeaahh

Sunshine on my face  
None ah dem could ah take my place  
Lift up my self to the top  
You know we pepper hot  
Forward tru the life we don't stop

Boom

I try to move intelligently  
I make my music differently  
Big up Atili Big up mista Prendy  
I put my voice on a good frequency

Life it nah sweet like a box ah candy  
But everything is good from God defend me  
Wicked people want fi rearrange me  
But none ah dam ah could ah ever change me, yeah

Sunshine on my face  
None ah dem could ah take my place  
Lift up my self to the top

You know we pepper hot  
Mash up the dance we nah flop

Sunshine on my face  
None ah dem could ah take my place  
Lift up my self to the top  
You know we pepper hot  
Forward tru the life we don't stop

The sunshine rise and push away the rain  
The rain in spain falls mainly on the plane  
Forward with the thinking of the future  
In my brain  
The negativity we just ah flush it down the drain

In my fortune cookie  
It tell me mi nah rookie  
Mi skwanny and skinny  
But tell dem mi nah pookie  
I just wanna have a good day  
Count my blessings and share my pray

Sunshine on my face

None ah dem could ah take my place  
Lift up my self to the top  
You know we pepper hot  
Mash up the dance we nah flop

Sunshine on my face  
None ah dem could ah take my place  
Lift up my self to the top  
You know we pepper hot  
Forward tru the life we don't stop
