(I'm still alive, I'm still alive, I'm still alive)
It may seem like I'm dying but I won't die
I won't avoid the eyes of others and hide

I may be obviously falling till the end but
I'm alive
But I have nothing more to lose
So I put the past behind me and jump out
My deeply falling self is so beautiful right now
I throw myself to the sky and I am free
At this moment, I am alive, I'm still alive

I'm still alive, I'm still alive, I'm still alive
I'm livin' that, I'm livin' that good life
I'm still alive, I'm still alive, I'm still alive
We livin' that, we livin' that good life
