

# Ain't Enough

BigKlit

I could grind  
I could 9 to 5 but it ain't enough  
I could shine like nobody shine, but it ain't enough  
It could hurt, but I'll never cry and it ain't enough  
In the dirt where you let me die now is it enough

I could grind  
I could 9 to 5 but it ain't enough  
I could shine like nobody shine, but it ain't enough  
It could hurt, but I'll never cry and it ain't enough  
In the dirt where you let me die, now is it enough

Cause good ain't good enough  
They always find something else  
Find someone else  
No way I can keep up  
No way  
No way  
Keep up  
No way  
No way  
Keep up  
This shit is eating me up  
Call the plug cause I need a re-up  
Get high  
Get back and feet up  
I don't need them now  
I don't need no crown  
I won't let me down  
I won't

I could grind  
I could 9 to 5 but it ain't enough  
I could shine like nobody shine, but it ain't enough  
It could hurt, but I'll never cry and it ain't enough  
In the dirt where you let me die, now is it enough

I could grind  
I could 9 to 5 but it ain't enough  
I could shine like nobody shine, but it ain't enough  
It could hurt, but I'll never cry and it ain't enough  
In the dirt where you let me die, now is it enough

Cause I could grind  
I could 9 to 5  
But it ain't enough  
I could grind  
I could 9 to 5 but it ain't enough  
I could shine like nobody shine, but it ain't enough  
It could hurt, but I'll never cry and it ain't enough  
In the dirt where you let me die, now is it enough
