

## Fried

BigKlit

(Big Kliliiiiiiiiit...)

I like girls and I like guys  
When you eat my pussy  
Look me in my eyes  
He think I'm in love  
But I'm in disguise  
Damn, that nigga fried  
When I left, he cried

I like girls and I like guys  
When you eat my pussy  
Look me in my eyes  
He think I'm in love  
But I'm in disguise  
Damn, that nigga fried  
When I left, he cried

I get who I want  
And I don't even try  
If he think I care  
That nigga must be high  
I tell it like it is  
And I don't gotta lie  
When I left my ex  
That nigga tried to die (die!)

Pussy too good  
Pussy like poison  
He won't leave me alone  
That nigga mad annoying  
I don't wanna fuck  
Unless you own a business  
If you wanna lock me up (what?)  
Like a life sentence (bye!)

It's like damn  
This pussy too good  
This pussy too wet  
This pussy too fire  
Damn  
This pussy too good  
This pussy too wet  
This pussy too fire

I like girls and I like guys  
When you eat my pussy  
Look me in my eyes  
He think I'm in love  
But I'm in disguise  
Damn, that nigga fried  
When I left, he cried
