You make me sick throw up
You needa be yo self grow up
Get that shit right you lookin' tore up
What? And don't be hating on my glo up

You make me sick throw up
You needa be yo self grow up
Get that shit right you lookin' tore up
What? And don't be hating on my glo up

I won't hide
I-I won't lie
I-I I tried...so many times

Yeah, now I'm finna make a fortune
Best thing I did was getting that abortion
You wanna get it right now
Tryna keep me tied down
Nigga you a opp clown, all fours, on the ground
Now beg for my mercy

UH! Cold bitch can't hurt me
You was so not deserving
Now you can stay lurking
Those DMS I'm curving, on you im swerving
(Skrтт)
(Bitch...)

You make me sick throw up
You needa be yo self grow up
Get that shit right you lookin' tore up
What? And don't be hating on my glo up

You make me sick throw up
You needa be yo self grow up
Get that shit right you lookin' tore up
What? And don't be hating on my glo up
