BigKlit

Bitch, I'm a grown ass woman  
I ain't finna bail no nigga out a book-it  
Might snatch a rat, couple racks when he ain't looking  
If the pussy bitch say something, then we whooping  
Impeccable pimping, bitch I be juggling

Bitch, I'm a grown ass woman  
I ain't finna bail no nigga out a bucket  
Might snatch a rat, couple racks when he ain't looking  
If the pussy bitch say something, then we whooping  
Impeccable pimping, bitch I be juggling  
Fuck them colonizers, I be rocking with the Navajo  
Blowing big doinks, big wood, that tobacco  
All the jits love me, yeah, they think I'm so radical  
That's why I pull strings, bitch please

Your imagination big, it ain't mathematical  
Your shit ain't adding up, bitch you ain't thinking practical  
5150 on the nut, I'm a schizo  
I used to get head from my principal  
Always getting caught with that medicinal  
Milking situations, I got cereal  
But now I'm juggling stocks with the nerds  
I could never kick it with you birds

Bitch, I'm a grown ass woman  
I ain't finna bail no nigga out a bucket  
Might snatch a rat, couple racks when he ain't looking  
If the pussy bitch say something, then we whooping  
Impeccable pimping, bitch I be juggling  
Fuck them colonizers, I be rocking with the Navajo  
Blowing big doinks, big wood, that tobacco  
All the jits love me, yeah, they think I'm so radical  
That's why I pull strings, bitch please
