

Holy Ghost

BigKlit

Bow down
Bow down
Bow down
Bow down
Bow, bow, bow, bow
Bow down
Holy ghost, holy ghost

Fuck what you say, say
Don't cry, cry
Get it mate
Get it, get the cream pie, pie
Freedom is a lie, lie
So I cry, cry
When I'm alone, but I don't hide, hide
[?] enemies bye, bye, bye, bye, bye, bye

Holy ghost, holy ghost
Dead, gone, gone
Dead, gone, gone
