

I Pray

BigKlit

Frenemies

I got many enemies

Bitch, whatchu doin'?

Man, these bitches hella gimmicky

These bitches always mimicky

Do not take them pictures

Bitch, outdated bitch

Still smoking Swishers

Do not make me make it, make it awkward

Cows go moo

And them cows get slaughtered

I pray everyday fuck niggas won't prosper

I pray everyday fuck niggas won't prosper

I pray everyday

I'm spiteful

I'ma take the riffle

I'll end it all now

With my hand on the bible

Bitch, that ain't a lie

Kiss my momma when she cry

Bitch I'd rather die

Before I fuck with your kind

Dear God I pray that these fuck niggas stay the fuck away from me

Pew pew pew

10 points, 20 points

Pew, pew, pew, pew, pew

Frenemies

I got many enemies

Bitch, whatchu doin'?

Man, these bitches hella gimmicky

These bitches always mimicky

Do not take them pictures

Bitch, outdated bitch

Still smoking Swishers

Do not make me make it, make it awkward

Cows go moo

And them cows get slaughtered

I pray everyday fuck niggas won't prosper

I pray everyday fuck niggas won't prosper

I pray everyday
