BigKlit

Once upon a time, not too long ago
Deep in the pits of hell, Satan gave birth to an angel
He named her BigKlit
Satan created BigKlit for one reason
To cause a massive flood
By unleashing the biggest squirt known to man
This orgasmic flood would send the world into utter chaos
Ushering in a new era of aquatic apocalypse
Only seen before by Noah and his great Arc
Welcome to the new world
I sincerely wish you good luck
If you're listening to this, it's too late
