

Jesus Piece

BigKlit

I'll fuck you in front of God
Keep them Jesus pieces on
I'll fuck you in front of Allah
Right in the Impala
Ain't no power high enough
To keep me from riding the rod
I'll fuck you in front of God

I'll fuck you in front of God
Keep them Jesus pieces on
I'll fuck you in front of Allah
Right in the Impala
Ain't no power high enough
To keep me from riding the rod
I'll fuck you in front of God

Don't be boring
Or get the fuck out my pussy
I don't play little bitch don't push me
I won't say shit, cut your dick off, replace it
Don't be boring
Suck me off in broad daylight
Lick on the clitty, how's it taste?
Blow the whole load in his face

I'll fuck you in front of God
Keep them Jesus pieces on
I'll fuck you in front of Allah
Right in the Impala
Ain't no power high enough
To keep me from riding the rod
I'll fuck you in front of God

I'll fuck you in front of God

Mary had a couple mans
What if Mary had an OnlyFans
What if Jesus got a big advance
And spent it all on coke and Xans
What if Judas was in love with Jesus
Dreamt about how big his piece is
And shot himself to keep the secret

I'll fuck you in front of God
Keep them Jesus pieces on
I'll fuck you in front of Allah
Right in the Impala
Ain't no power high enough
To keep me from riding the rod
I'll fuck you in front of God
