

Make A Wish

BigKlit

I fuck him like a side bitch
He think he mine
Suicide, suicide
I fuck him like a side bitch
He think he mine
I'ma blow his mind

Six inches, I like nine
Lick it, make it shine
Make a wish, keep trying
Make a wish, keep trying

I know you want this
I know you need me
Twisted metal, taste my CD
Boom boom bling boom bling
Eat it till I scream
Bitch, I am a dream
I'ma, I'ma make 'em scream
I'ma make 'em scream
I'ma make 'em scream
I'ma make 'em scream
I'ma make 'em scream
I'ma make 'em scream

I fuck him like a side bitch
He think he mine
I'ma blow his mind

Six inches, I like nine
Lick it, make it shine
Make a wish, keep trying
Make a wish, keep trying
I fuck him like a side bitch
