

## Make Me Feel

BigKlit

Make me feel good  
Make me feel, mmm  
Make me feel good  
Make me feel  
Make me, make me feel good  
Make me, make me feel good  
Make me, make me feel good  
Make me, make me feel, ah

Spit on me, choke me  
Tie me up  
I'ma freak bitch  
Make me nut  
Rub it, love it  
'Til I'm numb  
I'm just an animal  
Fuckin' for fun  
I'ma take the dick  
Nah, will not run  
I love you, daddy  
Give me a son  
Hit, hit from different angles  
Put me in a triangle  
I made that nigga cum with his pants on  
He my bitch, he my slut, he my damn son  
Huh, I'ma make him work  
I'ma make you work, ha  
Dick's so big that it make my pussy hurt, yeah

Make me feel good  
Make me feel, mmm  
Make me feel good  
Make me feel  
Make me, make me feel good  
Make me, make me feel good  
Make me, make me feel good  
Make me, make me feel, ah
