

# Midnight

BigKlit

You're no good for me I don't need nobody  
Don't need no one that's no good for me  
You're no good for me I don't need nobody  
Don't need no one that's no good for me

Uh  
Jump, jump  
Put your hands on my uh  
Put your hands on my uh  
Don't stop I know you wanna jump, jump  
Put your hands on my uh  
Put your hands on my uh  
Don't stop I know you wanna jump  
Don't  
Stop  
Don't stop, don't stop, don't stop, don't stop, don't stop  
Don't (Don't)  
Stop  
Don't stop, don't stop, don't stop, don't stop  
Don't  
Red dot when he give me that head  
Don't stop  
Don't stop  
Red dot when he give me that head  
That's hot  
That's hot  
Roses are red  
Hundreds are blue  
The stars shine bright  
But not as bright as I do  
Roses are red  
Hundreds are blue  
The stars shine bright  
But not as bright as I do

See you tonight  
Meet me at midnight  
Teleport to me  
I'll pick you up after your flight (flight)  
See you tonight  
Meet me at midnight  
Teleport to me  
I'll pick you up after your flight (flight)

Back to your flight (flight)  
Back to your flight  
Back to your flight (flight)  
See you tonight  
Meet me at midnight  
Teleport to me  
I'll pick you up after your flight

Lost in the wrath of the dragon  
Eyes blood shot  
They been smoking in the mansion  
Last night shit was a movie  
Power over low hard coal like a smoothie
