I ain't never on time
Crazy bitch I'm at the [?]
I'ma bleed 'em, eat the rinds
You soulless minds
My mama taught me to be kind
But I got murder on my mind
I'm ignoring all the signs
Speeding, getting fined
Change it up from dime to dime
You think you cute, you think you fine
You want this shit so bad, I'm dying
Watching you trying
Players fuck up, it's okay
But you got blood you need to pay
Hit my line, we not okay
This is not a game

It's BigKlit bitch
I'll eat your heart
I'll eat your kids
My style is imperishable
Tat my motherfucking name on your face
If you love me you weak-ass bitch

No emotions
Bitch I'm on my motherfucking cold shit
I know you wanna hit, I got 'em hoping
They all love me baby, I got 'em moping
No emotions
