Know I'ma go straight to hell
Know I'ma go

And I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go, and I know I'ma go (straight to hell)
I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go, and I know I'ma go (straight to hell)
I know I'ma go straight to hell
I know I'ma go straight to hell
I know I'ma go straight to hell
And I know I'ma go, and I know I'ma go
I know I'ma go straight to hell
I know I'ma go straight to hell
I know I'ma go straight to hell
I know I'ma go, and I know I'ma go

I know that it ain't right
Addy in my by the end of the end of the night
Cannot stop breaking the rules
Trapped up, give these hoes the pie
I don't wanna fight but we fucking fight all night
Know you love me, baby you are not my type
Sipping bubbly Prosecco, you know that my type
You a thug, see, I know you love that dirty Sprite

Know that mission is clear
Know that I live in no fear
If I go to hell, that's a shame
How could I be the one to blame?

And I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go, and I know I'ma go (straight to hell)
I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go straight to hell
And I know I'ma go, and I know I'ma go (straight to hell)
I know I'ma go straight to hell
I know I'ma go straight to hell
I know I'ma go straight to hell
And I know I'ma go, and I know I'ma go
I know I'ma go straight to hell
I know I'ma go straight to hell
I know I'ma go straight to hell
I know I'ma go, and I know I'ma go
