

Strapon Freestyle

BigKlit

Everybody in the party got the strapon
Pull up with the tools like stamp on
Everybody in the party got the strapon
Pull up with the tools like stamp on

Everybody in the party got the strapon
All the fake hoes get your cap on
Imma slide up and get my mack on
Bitch I am a plug no tampon
I don't give a fuck about a pig
Life's too short I gotta live
I don't give a fuck about a hater
Imma super flex I'm a traitor
I gotta get the bag then bitch I gotta go
Gave me his phone and I hit his venmo
Goin' up off a scam, but I keep it on the low
Don't nobody need to know

Got the strapon
Everybody in the party got the strapon
Pull up with the tool like snap on
Everybody in the party got the strapon
Pull up with the tools like snap on
Everybody in the party got the strapon
Pull up with the tools like snap on
Gon' fuck it up [x8]
