

# War

BigKlit

Who the fuck is gonna stop me now?  
Look at me now  
I'm the queen  
The queen of hell

Dumb bitch  
Brain dead  
I'm the queen  
Don't ever come around  
I'm the queen  
I'm gonna shut it down

Who the fuck is gonna stop me now?  
Who the fuck is gonna stop me?  
Who the fuck is gonna stop me?  
Who who?

Who wanna go to war?  
Who want war with me?  
Big Klit I be acting up I got that smoke for free  
They like why you got your Glock out  
Cuz I got enemies  
I told you I'm not human  
I'm a different entity  
Like the alphabet  
Sixteenth letter  
Bitch I am that P  
I got one question for you huh  
Who want war with me?  
Who wanna go with me?  
Think you have your misery?

Who the fuck is gonna stop me now?  
Look at me now  
I'm the queen  
The queen of hell

Dumb bitch  
Brain dead  
I'm the queen  
Don't ever come around  
I'm the queen  
I'm gonna shut it down

Who the fuck is gonna stop me now?  
Who the fuck is gonna stop me?  
Who the fuck is gonna stop me?  
Who who?
