

Watch Me

BigKlit

Bitch, you better stop
Before I make it hot
Cuckold that hoe
Bitch, I'll make you watch
Only took his top
Then I, then I made him stop
Stole that nigga watch
Role-y and his Glock

Under six two
Well nigga you ain't ridin'
Gave him lazy pussy
But he cry when he inside it
Boy, I'm not your baby baby mama
Or your mama
Ain't no sappin' ass cappin' ass
Nigga in my lineup
Slippin' on me
You must be thinking of some other bitch
Goin' through my phone
Time out with all that sucker shit
Only thing you can do for me is maybe suck a clit
Hate a bitch, hate a bitch
But you still love a bit

Rob your shit myself and teach you ass a lesson
Pretty but I'm known to leave a couple messes
Pretty so I got you mad at your reflection
I'm sayin' but you watchin'
So you get the fuckin' message

Bitch, you better stop
Before I make it hot
Cuckold that hoe
Bitch, I'll make you watch
Only took his top
Then I, then I made him stop
Stole that nigga watch
Role-y and his Glock

I know you wanna watch
I know you wanna watch
I know you wanna watch
I know you wanna watch

They wanna be like me
And be on me
And be with me
Wanna B-I-G
Leave the weed you need to leave
Young and successful
And a sex symbol
Now you bitch want me to fuck (true, true)
I like my niggas tatted and sensitive and combative
I let you kiss it
You quickly call it back
Automatic

Yo nigga with me
That's a big freakin' big fee
Won't let him kiss me
And if his palms
Get a bitch beat

Bitch, you better stop
Before I make it hot
Cuckold that hoe
Bitch, I'll make you watch
Only took his top
Then I made him stop
Stole that nigga watch
Role-y and his Glock
Bitch, you better stop
Before I make it hot
Cuckold that hoe
Bitch, I'll make you watch
Only took his top
Then I, then I made him stop
Stole that nigga watch
Role-y and his Glock

I know you wanna watch
I know you wanna watch
I know you wanna watch
I know you wanna watch
