

Chances

BigWalkDog

I got it this time
Uh, uh
This it right here

Chances come slimmer than a model waist
I been chasin' money lately 'cause I let somethin' got away
Millions for real, talked to Wes, he ain't tryna fight the state (Uh-uh)
I hope he still get to see his sunshine when it Father's Day
And see his daughters play (Wow)
Look, I come up from pennies
Had to take the harder way out, choices wasn't many, ayy (Uh-uh)
I knew niggas hated on this shit from the beginnin', ayy (Why?)
Woah, baow, baow, that's a Lambo engine, ayy (Hey)
Right now, I don't wan' talk to nobody, that's just how I'm feelin', ayy (That's just how I'm feelin')
On my granny grave right now, I'm probably sippin', ayy (Right now)
He been locked so long that he call free people civilians, ayy (Wow)
He been broke so long, he treat a few racks like a million, ayy
Condo in Miami right now, top floor in the buildin' (Top, top floor)
Really, I'll pop out right now with nachos in my denims, ayy (Bread)
Diamond earring certified, I can no more hear you (Hello?)
My nigga know I'm certified, jump in that steamer with him, ayy
"Shine on Me" the first time I been to church in years (Wow)
Told God, "When I call on You, don't cover up Your ears" (Please)
I had on Prada shades, I dropped designer tears
Got a mural in my city, kind of make me feel weird (BigWalkDog)
Most times they put your face up on a wall, you been killed (Yup)
Most times they put your face up on a wall, you ain't here (You dead)
Know niggas probably thinkin' this shit was over, we ain't near (Uh-uh)
Know niggas probably thinkin' I ain't heard, but I hear it, ayy
What's your chances right now of you makin' you a mil'? Ayy (Huh?)
What's your chances right now of you buyin' mama a crib? Ayy (Huh?)
What's your chances right now you gon' get that new whip? Ayy (Tell)
What's your chances right now if you ain't got it on your hip, nigga? (Fah)

Uh, uh-na, uh, uh, uh, uh, uh (Hey)
What you know about them federal chances?
Ayy, hey, hey, hey
What you know about them life-or-death chances?
Hey, hey, hey (Hey)
When you in the streets, it's all about takin' chances
Hey, hey, hey
I gotta get it under all circumstances
Hey
Hey
