Take it to the source, don't talk to the middleman (No middleman)
Ain't first, then you last, would you probably get a second chance? (Nah)
Can walk in the spot, we ain't crazy, spend several racks (Oh, yeah)
Put them racks on the floor
Come from the hood with the J's at the door
And you are not a shooter if your shot don't go
If you're shot don't scope
