BigWalkDog

(DrvmLord)

Hey

Hey

Cuz still in the pen, since he been in, he just been shadowboxing (Ha, ha)
I ain't tryna be your friend, we can get it in, how the fuck you think I'm r
ocking? (What?)
What the fuck make you think I'm BigWalkDog and I ain't gon' keep a rocket?
Nigga trippin', must ain't heard "Poppin"
I'm outside with it on me blocking (Boom)

Went to jefe with a couple bands and I just told my nigga Faucet
I'll take the wheel in the truck just to make sure 12 get by me
Goddamn, just because of them folks, I just went and bought six choppers
Pass 'em out, everybody get one
Stay dangerous, just go hit somethin' (Boom)
I was in the ninth grade, I don't know what age, I was probably six one
Now my motor, it's a six somethin'
Blue cheese, cost big money
See, when I was broke, I couldn't fix nothin' (Nope)
I just burned a shirt, cost six hundred
Fuck it, we ball, blow big money
Yeah, I dip if the chips comin'
Go break you off with the bitch money
Ain't it, man? Let me get somethin'
I need everything, won't miss nothin'
Beat a fed case, now the blitz comin' (Boom)
If your bed made, you can't sit on it
See, when I was broke, they tried to shit on me
Now I'm number one, got 'em pissed, don't it?
Let a nigga play, put a hit on him
You ain't know that chopper got a switch on it
You ain't know that forty take your hip off you
You ain't know that slipping get you killed on it
Know slipper cost, pay your rent on it
And I'm fishbowlin' with these sticks on me
You ever seen a shark when it get hungry?
That's the main reason why this blick on me
If you catch a body, they might snitch on you

Cuz still in the pen, since he been in, he just been shadowboxing (Ha, ha)
I ain't tryna be your friend, we can get it in, how the fuck you think I'm r
ocking? (What?)
What the fuck make you think I'm BigWalkDog and I ain't gon' keep a rocket?
Nigga trippin', must ain't heard "Poppin"
I'm outside with it on me blocking (Boom)

Nigga trippin', must ain't heard "Poppin"
I'm outside with it on me blocking (Boom)

Pussy nigga must ain't heard "Vibes" and I'm outside when the birds flyin' (
Blrrd)
Police had to let me out twice, I ain't tryna see 'bout the third time (Nope
)

If you heard Gucci, I'm a dog, I'm the biggest dog, know you heard mine
Cuh don't know nothin' but sling iron
Get money and do crime (Boom)
Free Skywalka in due time
Five hundred M's and I'm through rhyming
I'ma rock diamonds 'til they through shinin'
All natural stones like blue diamonds
And these niggas be so two-timing
You so gangster now, don't know who lyin'
Got a rap check and I blew mine
I done made this shit back a few times
If it's that, you don't care who crying (Nope)
When you up, you don't care who shinin'
If it's stuck, better keep two nines
When you see it all, play too blind
Had a bunch of shit in the truck, I saw them blues lights and I threw mine
Me and Jay went and found a sack, ran it all back on thirty two, two times

Cuz still in the pen, since he been in, he just been shadowboxing (Ha, ha)
